Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner called Applicant's representative on Wednesday, April 21, 2010 @2:36pm for permission to update the specification by adding the continuation data to page 1, line 4, and correct various 35 USC 112, second paragraph, problems in the claims. Upon review of the draft Examiner's Amendment, Ms. Steele called the Examiner in the afternoon of Thursday, April 22, 2010 and suggested other changes which were needed in the claims. The Examiner faxed a second draft of an Examiner's Amendment, which incorporated the additional changes to the claims suggested by Ms. Steele, to Ms. Steele for review and approval.

On Friday, April 23, 2010 @12:48pm, per voice mail message, Ms. Steele called the Examiner and left the Examiner a voice mail message approving the changes to the claims in the second draft of the Examiner's Amendment.
